

May 2021 - PSP Newsletter

In this newsletter you'll find links to AbSec's Aboriginal Case Management Policy and resources, and links to our new resources. There's also an update about changes to home inspections.

Quick Links

Carer consent now needed for home inspections

DCJ and PSP service providers must get consent from the carer applicant before doing the home inspection required in the authorisation process. The change follows a recent amendment to s137A of the Care Act.
