

Welcome

Welcome to the PSP Learning Hub March newsletter. This newsletter brings you updates on our progress and our plan to the end of financial year 2020.

COVID-19

We understand this pandemic is impacting the sector both personally and professionally and we aim to work together to ensure we produce a mutually satisfactory outcome. Curijo as the lead organisation has implemented systems to respond to COVID-19. Please [click here](#) to see the details.

Updates

Practice Area Working Group

About - The [Practice Area Working Groups](#) bring together the unique voices in the sector, sharing current PSP practice experience to help inform the content and shape the learning activities for each practice area.

March - Practice Area Working Group

10 March - Casework Skills. Thank you, Casework Skills Working Group for giving your time and insights.

Next - Practice Area Working Group

8 Apr - Trauma Informed Practice.

Want information on how to get involved?

[Click here](#) and leave us a message. We will get back to you with details.

Register for Shared Learning

About - The PSP Learning Hub's shared learning is available for all casework staff who are currently working in the Permanency Support Program. It includes webinars, communities of practice and F2F.

Note F2F training is postponed until 30 June. We will revisit this moving forward.

How to register [Click here](#) - fill out the form and click the **Register** button.

Attending PSP Implementation Meetings

Why we attend We attend RIGs, DIGs and Management Implementation Meetings to keep our activities strategically aligned, promote and connect the sector to useful resources, continuously improve our resources, and add to the body of shared practice knowledge.

March meetings 3 Mar - Hunter and Central Coast DIG

February meetings 11 Feb – Hunter, Mid North Coast and Northern NSW RIG and 12 Feb – Western DIG
