

# Practice Area Working Group Information

## Purpose

The Practice Area Working Groups provide input to resources, training, shared learning and practice development.

The working groups bring together direct, current PSP practice experience to inform the content and help shape the learning activities for each practice area.

Bringing together direct, current PSP practice experience will ensure learning activities are useful for the sector and have the maximum positive impact on working with children and young people.

The Practice Area Working Groups form part of the PSP Learning Hub's Stakeholder and Communications Plan.

## Composition

As a minimum the Practice Area Working Group will consist of the following:

Groups	Roles
DCJ	Strategy, Policy and Commissioning Manager, Implementation and Performance and/or other practice area specialists
Peaks	Representation from AbSec and ACWA
NGOs	Practitioner/Program Manager/Practice Lead/ Learning Manager and/or other practice area specialists
PSP LH	Program Manager/Project Manager, Practice Lead

To ensure the working groups reflect the diversity of PSP organisations and practice needs, members will be cross district and cross organisational, including:

- large/small,
- Aboriginal/non-Aboriginal,
- multicultural.

Practice Area Working Groups may include advice and support from subject matter experts.
