

Dear << First Name >>

Welcome to the quarterly PSP Learning Hub Newsletter.

In this quarter's PSP Learning Hub newsletter, we have a message from Kyola, a Proud Wiradjuri woman and the face behind the PSP Learning Hub inbox. Sector updates this quarter include AbSec's new Leaving Care Learning Hub and fresh eLearning from the Office of the Children's Guardian. In training, we're overjoyed to have Dr Mary Jo McVeigh back to host her workshop, "Working with Men who Use Violence".

A message from Kyola Williams

Proud Wiradjuri woman and the Project Administrator at the PSP Learning Hub

Welcome back to another edition of the PSP Learning Hub newsletter. I'm Kyola, the face behind the PSP Learning Hub. If you've ever called the PSP Learning Hub or sent an email, chances are we've been in touch!

The Hub aims to offer a range of learning opportunities to suit your needs, preferred learning style, and schedule. Not all of our sessions follow the standard "training" format. We want all participants to be engaged and involved in all our sessions but particularly for the ones that are based around participant contributions, like our Communities of Practice.

The purpose of our CoPs is to create a safe space for shared learning, reflection, critical thinking, problem solving and relationship building between PSP services providers. CoPs are about discussion, sharing experiences and resources, and coming together to find solutions. We are always looking for ways to make our sessions more valuable (and applicable) for participants so if you have a topic or case study you would like to see at a CoP, please get in touch via our [Case Study Submission Form](#).
